

AGC of DC

**SUBCONTRACTOR
APPRECIATION
AWARDS**

General Contractors and subcontractors gathered April 26, 2011 at Harmon Center for the Arts in Washington, DC to celebrate the winners of AGC's first-ever Subcontractor Appreciation Awards. AGC members were provided with a list of 1200 subcontractors and asked, "Which of these companies are most deserving of a show of appreciation for their contributions to your projects?"

For the category "Sitework/Utilities", Flippo Construction Company was selected as the Best Site contractor out of the nine submitted entries. This honor was bestowed to FCCI by our clients who nominated us as the Best in our Class. Among those clients that we have recently worked for whom are members of AGC are: Coakley & Williams, Clark Construction, DPR Construction, Dynalectric, Gilbane Building Company, Hitt Contracting, M.C. Dean, Perlectric, and Turner Construction Company.

Congratulations to our entire Flippo Family.

The award was accepted by our Marketing Manager, Dan Buckley, and is on display in our Main Lobby in Forestville.
